Create a student profile.

In this project, you will work together to create a student profile for one person on your team.

1. Form a team with four or five students. In your team, you need:

POSITION	JOB	STUDENT NAME
Student 1: Team Leader	See that everyone speaks English. See that everyone participates.	
Student 2: Secretary	Complete the student profile with help from the team.	
Student 3: Student for profile	Give personal information for introductions.	
Students 4/5: Hosts or Hostesses	Introduce student to other groups.	

2. Create a student profile sheet. Write questions. See page 16 for help.
3. Choose one student in your group to create a profile for.
4. Complete the student profile sheet by asking questions. Each student in the group asks three or more questions.
5. Practice introducing and describing the student to other groups. Use the profile sheet.
6. Create more student profiles if you have time.
